

Welcome!

What greater way to nurture your child's talents than by enrolling them in one of our camps? At MJPAA, your child will explore the wonderful world of the performing arts while experiencing an educational, fun-filled summer. They will be introduced to various paths of the performing arts and given opportunities to act, sing, dance and be creative.

Our professional faculty provides outstanding instruction in all disciplines of the arts. These caring, highly trained instructors hold degrees and certifications to teach their specific disciplines. They represent years of professional performing careers, enhancing and developing our programs and curriculum. Their professional experience combined with educational training will help provide the student with the tools necessary to succeed in any field they choose.

All classes taught at MJPAA are geared to the physical, technical and mental development of the student, as well as the nurturing of a positive self-attitude. The discipline and enjoyment derived by studying the performing arts is unparalleled by any other athletic endeavor.
