Our Power-Packed Intensives offer a summer workshop that will lay the ground work for the serious dancer dedicated to the arts. These workshops are designed to insure the continuity of the physical and mental training necessary for technical advancement. In addition to the technical curriculum, classes will be included to focus on expanding the dancer's knowledge in body awareness, proper stretching techniques, nutrition, pedagogy, and dance history. Significant technical advancement will be accomplished with student's participation and application of this program. Students will be placed in levels based on an audition the first day of each week. Ages 8 - College.

***Class Enrollment Is Limited. Admission is by Instructor's Approval.**
